

What do the Experts Think of Nuvio One?

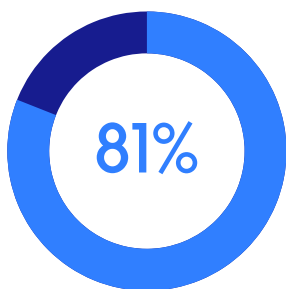

93% of the 121 PTs, OTs, and Rehab Directors who participated in a national market research and in-person testing effort rate Nuvio One's benefits as clearly superior to traditional walker/rollators.

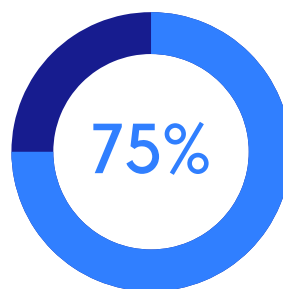

"10/10."

Doctor of Physical Therapy & In-Person Tester

Invented by a Doctor of Physical Therapy, Nuvio One provides a unique solution that empowers you through all parts of your day. Where traditional walkers can create obstacles for sit-to-stand transitions and other activities of daily living necessary for safe and independent functional mobility, Nuvio One gives you freedom and capability.

Of clinicians rated they are extremely/very likely to recommend to patients for home use.

Of clinicians rated they are extremely/very likely to consider purchase for clinical use.

Nuvio is taking an outcomes-based approach to mobility device development. The above study was conducted by a 3rd party market research firm. We'll begin accepting pre-orders for Nuvio One in January 2023.
